Which of these phrases describe YOU?

If you identify with one or more of these phrases, we need your input as we develop a "word picture" (description) of what we want our new rabbi to look like!

Starting this week the Congregation Albert (CA) Rabbi Search Committee (RSC) and the CA RSC Advisory Group are hosting a series of online member and stakeholder group meetings to collect your input on the important knowledge, skills, abilities, personality traits and other characteristics we are looking for in our next CA rabbi. **Even if you already completed the online CA RSC Survey, we still need to hear more detailed feedback from YOU.** How can you provide input?

1. **Participate in a stakeholder Zoom meeting.** We have put together an Advisory Group representing more than 25 congregational stakeholder groups. These Advisory Group representatives will set up and lead meetings for their respective stakeholder groups (shown graphically in the "word cloud" above) in order to learn what is most important for their group with regard to our next rabbi. Once these meetings are scheduled, they will be posted on the website. When you see an stakeholder team with which you identify, just notify its Advisory Group representative. You can see a list of all the stakeholder groups, the Advisory Group representatives and their emails on our CA Journey to a New Rabbi webpage by clicking [here](#). As the stakeholder meetings are scheduled in the coming days, you will be sent a link to register by your Advisory group representative.
2. **Participate in a congregational Zoom meeting.** We have scheduled nine meetings for all members of the congregation who wish to provide input into the CA RSC process. These meetings will happen on Zoom and therefore we have to limit the participants at 20 for each meeting (so everyone’s voice and comments can be made in a reasonable time). **OUR FIRST THREE CONGREGATIONAL ZOOM MEETINGS ARE THIS WEDNESDAY, JUNE 17, AT 9 AM, 1:30 PM, AND 6 PM.** You can register for those meetings, as well as see the other six scheduled meetings and register for any one of them [here](#).

**A special deal just for you:** If you attend any stakeholder meeting or any session of the congregational meetings you do not have to attend any additional meetings because the questions for the meetings are the same! You can view those questions at this link in advance of your meeting so that you are better prepared to respond during the meeting.

**We hope you will take advantage of one of the many opportunities to provide your input in a live meeting (Zoom) by registering for either a stakeholder group meeting or a congregational meeting session.** Hearing others' ideas and thoughts provides a much richer experience than just answering a survey, and the CA RSC is committed to getting the most meaningful feedback possible to recruit our next rabbi.
