31. Scholarship Committee
32. Security Committee
33. Family Promise
34. Immigration/Asylum Seekers Support

Advisory Committee members should not be officers or chairpersons of the stakeholder group(s) they represent. Advisory Committee members may represent more than one stakeholder group.

Board members will not serve on either the Advisory Committee or the RSC. Along with other members of the Congregation, they will have multiple opportunities to provide input. They will also be regularly briefed on the search process, and will ultimately approve the RSC recommendation and forward the selected candidate to the Congregation for a vote.
